

Witness Statement in Support of Town Green Application for Stoke Lodge

Parkland

My wife, children and grandchildren have regularly, sometimes on a daily basis made use of Stoke Lodge Parkland since the early 1970's and have never been denied access.

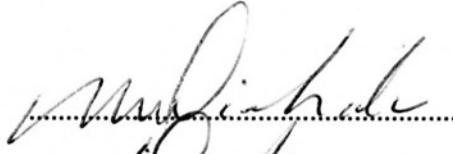

Generally, activities are regular exercise once or twice a day accompanied by my wife, dog and or grandchildren, also general leisure activities particularly in the summer period.

Living in Parrys Grove the Parkland is within 100 metres walk and with access directly opposite its entrance.

There are many great values of the Parkland from witnessing the extensive sports activities that take place particularly with young children playing team games at weekends, to open green space, peace if you wish and social activities with other Parkland users.

I would confirm that the facts stated are true.
