Section 4 supplement

**Coloured plans to define the land
and notes of explanation**

This supplement to the Statutory Declaration includes;-

Three plans based on the same ordnance survey map provided by the Land Registry.

- a) Plan one is a response from the Land Registry at a scale of 1:2,500 detailing in pink/lilac shading the area of a requested search, and represents the parcel of land and buildings owned by Bristol City Council. Comprising the Grade 2 listed House, outbuildings, immediate garden areas, access routes and car park plus the "Parkland".
The area shaded in blue on Shirehampton Road is an electrical power utility sub-station.

- b) **Plan two represents the basis of our Application with the land concerned edged in a thick red continuous line. This excludes;-**
 - i. The Grade 2 listed House, outbuildings, immediate garden areas, access routes and car park. (Ref 1).
 - ii. The electrical power utility sub-station on Shirehampton road shaded in blue. (Ref 2).
 - iii. The gas utility infrastructure installation located on Parrys Lane, delineated in blue hatching. (Ref 3).
 - iv. An area of land to the west of the House abutting the boundary wall along Shirehampton Road, approximately 60 meters by 100 meters delineated in green hatching. (Ref 4). This area of land has been excluded from the Application because, on the basis that the Application is granted then, any development on the "Green" will be restricted. The current changing rooms are not fit for purpose, and this location is one of the areas being considered for new facilities hence the need to retain the option for an appropriate new build here. Additionally Bristol City Council is holding in Trust in excess of £100k for Children's Play Equipment (see evidence item 15) and these structures would suit this location.

- c) Plan three is an option for discussion, if permitted, whereby the area excluded on Plan two item iv ref 4 is included in the Application on the basis that the future Changing Rooms and Children's Play Equipment with possible extension to the existing car park are contemplated and permitted in principle under the Town or Village Green Registration, albeit they would remain subject to the normal planning processes and restrictions?
