Dear Mr Meyer,

Thank you for your letter dated the 28th of February 2011. I confirm that you have the correct forms.

May I recommend that you consult the relevant guidance to be found on DEFRA's web-site, and also look at the information concerning registration of new town or village greens to be found on the Open Spaces Society's web-site. The latter includes a list of the OSS' publications, of which the manual entitled "Getting Greens Registered" is extremely useful, and includes a sample evidence questionnaire for completion by witnesses.

I would like to emphasise at this stage that before submitting an application, you should consider carefully whether there is a valid case for claiming that the land in question falls within the definition of a town or village green to be found in The Commons Act 2006, section 15. Section 15 is included with DEFRA's guidance.

Regards,
