

Witness Statement in support of Town Green Application for Stoke Lodge Parkland.

Name : Catherine Barnes

Address : 20, West Dene, Stoke Bishop, Bristol BS9 2BQ

Occupation : Retired teacher

Use of Stoke Lodge Parkland : I have lived at the above address since May 1989. When we moved to this house our children were aged 4 yrs and 2 yrs and we therefore used the field for many activities, some very regularly but others were more special, eg our daughter's birthday is in July so most years, until she was a teenager, her party would involve some use of the field for rounders, treasure hunts or sports days. Our son played for Shire Colts so had regular training and matches on the fields, but most weeks would meet a friend or two for informal practise – this lasted until he was 11 yrs. They also both learnt to ride bikes on the field.

Currently, I walk regularly 3 times a week around the field, doing 4 circuits – this is with friends and is for general fitness. We walk across the field to the shops on Shirehampton Road to buy our paper and to the bus stop. We walk across the field to access Stoke Lodge Adult Education Centre, which we have used for various courses over many years. We have had various 'street parties' on the field which have included cricket and rounders matches between South Dene and West Dene. We have enjoyed lead walks to learn about the specimen trees on Stoke Lodge field. We have noticed a steady decline in the general tidiness of the field so have tried to regularly, about fortnightly, pick up litter – this is largely drink cans and plastic bottles but also a large amount of plastic bags left by dog walkers. It is wonderful that such a lot, and such diverse groups, of people use the field but it would be nice if rubbish bins could be placed at the exits. Access to the field is open all day every day so many groups of young people meet under the trees and they too leave litter.

All these activities have been enjoyed by us on Stoke Lodge field – access from our road is through an opening in the wall, and has always been open. We have never been challenged and have never felt we were trespassing.

I believe that the facts stated in this witness statement are true.
