Dear Mr Dunsdon

At the pre-hearing meeting held on 5th February 2016 we were requested to provide clarification regarding: -

1. The definition of the Neighbourhood contained within our TVG Application
2. The definition of the Land included within our TVG Application

Accordingly please see attached our clarification together with supporting attachments regarding the Neighbourhood and the Land included in our TVG Application.

Please confirm receipt and we look forward to receiving your response regarding the need for a new "Statutory Declaration in Support".

Yours truly
