Dear Mr Dunsdon

Stoke Lodge Parkland, Bristol, BS9 1BN – Town or Village Green Application

Applicant's Rebuttal File (File 11) re objectors' statement of case

for Non Statutory Public Inquiry Scheduled to commence on Monday 20th June 2016

Please accept on behalf of all the other parties the attached Rebuttal File for inclusion at the NSPI scheduled for June 2016

There are four copies of the Paper (hard copy) version including a DVD electronic version for onward distribution to the: -

- a. The Inspector
- b. The First Objector, Bristol City Council as Landowner
- c. The Fourth Objector, Cotham School / Academy
- d. The Commons Registration Authority

In addition there are two copies of the DVD electronic version for onward distribution to the: -

- a. The Second Objector, The University of Bristol
- b. The Third Objector, Rockleaze Rangers Football Club

In our previous bundle of documents (Files 1 – 10) issued on 3rd May 2016 we included, at File 1 - tab 2, an index of paginated page numbers. We have updated this schedule and included it at tab 3.

Unfortunately, Cllr John Goulandris can no longer attend the NSPI. However, in addition to his witness statement (File 1, tab 17), we include as evidence at tab 5 in this document an open letter from him that was printed in the Bristol Post on 16th May 2016. This letter

confirms the true purpose of the Application in stark contrast to the biased and factually misleading article printed in the Bristol Post on 11th May 2016.

As Cllr John Goulandris cannot be present at the NSPI we have included at tab 6 a substitute statement from Mr Charles Elderton who we intend to call at the NSPI.

We include at tab 10 in excess of 200 additional witness statements confirming Community use as of right. In addition to the 160+ issued previously not counting the petition and the survey.

The above new statements were received in a matter of days in response to a request that was issued to the membership of Save Stoke Lodge Parkland and passed on within the Community. Inevitably statements were received after the deadline requested and we have included a selection of these at tab 11.

We have included at tab 4 at table showing the order in which we intend to call our witnesses at the NSPI.

Yours truly

A handwritten signature in black ink, appearing to read 'D. Mayer', with a long horizontal flourish extending to the right.
